Onsite registration and check-in opens on Sunday, June 2 at 5:30pm in the Prefunction Area (just outside the Interlocken Ballrooms).

All registrants are invited to the NSRC-2013 **Welcome Reception, beginning Sunday, June 2 at 7:30 pm** in the Lobby Court, and to the **SARG Ambassadors and Closing Reception on Wednesday, June 5 at 5:00pm**. Complimentary cocktails and hors d'oeuvres will be provided.

No video/audio recording of the conference is permitted, without previous written approval. To obtain approval, please contact Cindy Conrad at cc@boulder.swri.edu.

Wireless access in the conference ballrooms can be provided with a \$45 registration upgrade, otherwise complimentary wireless access is available in the lobby. Please contact the hotel front desk for complimentary wireless access.

Abstracts are posted in the Author Index. If you do not want your abstract posted, please contact eric@boulder.swri.edu. Paper submission is not necessary. Presentation slides from the conference will not be posted or distributed.

If you are a presenter, please **bring your presentation on a thumb drive** to the A/V Table in the Prefunction Area no later than the day before your talk. This will allow the techs time to run through the slides to ensure everything is displaying properly. If you are presenting on Monday June 3, A/V techs will be available in the Prefunction Area beginning 5:30 p.m. on Sunday.

All sponsors have access to student registrant resumes online at <http://nsrc.swri.org>. If you are a sponsor and would like access, please see Rayna Tedford at the NSRC registration table for the password. If you are a student registrant and would like to post your resume, please send it to con@boulder.swri.edu.

Registrants who are guests at the hotel have access to the **24 hour business center** on the Garden Level. If you are NOT a guest at the hotel and need something printed, please see Rayna Tedford at the NSRC registration table in the Prefunction Area.

All NSRC guests will receive **free hotel parking**. Please make sure there are NO parking charges on your bill at check-out.

Many dining options are available in the area. The hotel offers **complimentary shuttle service within a 2 mile radius**. Please contact the hotel front desk to request on-demand transportation (sometimes a 5-10 minute wait).
